

# Uniguest SP2.

**Low cost 4K, PoE digital signage and IPTV media player for the professional AV industry.**

## Key Features

Supports both Tripleplay Digital Signage and IPTV Portal

Flawless playback of HD and 4K video, Full HD images & graphics and digital audio

Displays HTML5 widgets and animations

Optional RF hybrid remote for IPTV Portal

Ultra-thin design fits into tight spaces and streamlines serviceability

Power over Ethernet (PoE) for simple installation

32GB of built-in SD storage

Dual 1080p video support

The Uniguest SP2 is compatible with our Tripleplay IPTV and Digital Signage platform, delivering core AV industry requirements such as 4K video playback, RS232 control, full AES and VSecure encryption, and 32GB of storage for displaying evergreen fallback content.
