

Uniguest P3 Media Player.

Cost effective 4K IPTV media player, ideal for Uniguest's Interactive Hotel TV solutions.

Key Features
IR or RF remote control
HD & 4K video resolution
H.264 & H.265
Multicast IPTV
1GB RAM
Multi-country regulatory approvals

A solution that is delivered as part of Uniguest's Digital Engagement Platform, the Uniguest P3 has been optimised for delivering Uniguest's Tripleplay Interactive IPTV Portal, a customizable and flexible technology for delivering live broadcast TV streams, in-house channels, video-on-demand content and mobile casting capabilities.

With full 4K video resolution, Power Supply Unit (PSU) and HDCP 2.2 encryption, the Uniquest P3 has the core functionality needed in residential environments.
